1 **INT. KXRL RADIO - STUDIO B - 3:12 AM** 1

A small studio lit by the ON AIR sign. RENATA VOSS, 50s, headphones around her neck, watches a cassette deck spin with nothing in it. CAL MERCER, 20s, stands in the doorway with a clipboard.

CAL
The deck's empty.

RENATA
I know.

CAL
Then what's playing?

RENATA
Sit down, Cal.

He does. She slides the headphones across the desk to him. He puts one cup to his ear. Listens. His face changes.

CAL
That's my voice.

RENATA
It started at midnight. Same as last year. Same as the year before.

CAL
I wasn't here last year.

RENATA
(beat)
No. You weren't.

CAL
What am I saying? On the tape. What am I saying?

RENATA
You're reading the weather. For tomorrow. You get it right, every time.

The ON AIR sign flickers. Somewhere down the hall, a phone starts to ring.

CAL
Who calls a radio station at three in the morning?

RENATA
You do. In about ten minutes.

CAL
I'm not going to call.

RENATA
That's what you said last time, too.
