THE NIGHT SHIFT

1 INT. DINER - NIGHT

Empty booths. JORDAN wipes the counter. SAM comes in out of the rain, shaking off a coat.

SAM
You’re still open?

JORDAN
Until the last person leaves.
Looks like that’s you.

SAM
Coffee. Whatever’s left in the pot.

JORDAN
It’s been sitting there since nine.

SAM
Then it’s had time to think about what it did.

JORDAN
I’ll make a fresh one.

2 EXT. DINER PARKING LOT - LATER

Jordan locks the door. Across the lot, Sam is already at the car, holding up Jordan’s keys.

SAM
You forgot these! Again!

Jordan stops, pats empty pockets, and laughs.
